

IGNITE YOUR CREDIT UNION'S GROWTH POTENTIAL

In a fast-changing financial landscape, today's credit unions must move from static planning to dynamic execution. IgniteFI bridges strategy, data, and fintech to help you deliver meaningful results for your members.

IgniteFI is your strategic innovation partner—helping credit unions turn vision into execution. Through proven frameworks, actionable insights, and curated fintech engagement, we accelerate growth and deliver measurable impact for you and your members.

ACTIVATE YOUR STRATEGY

IgniteFI helps credit unions translate strategic vision into executable plans. From leadership alignment to innovation roadmaps, we prioritize the next 6-12 months to accelerate measurable progress.

ALIGN THE RIGHT FINTECHS

We connect you with pre-vetted fintechs aligned to your goals. From sourcing to strategy sessions, our curated programs streamline evaluation, reduce risk, and save your team time.

EMPOWER YOUR DATA

We help you reduce vendor lock-in and own your insights. Through ecosystem audits and future-state mapping, we deliver a CU-owned integration strategy that fuels operational performance and real-time decision-making.

EXECUTE WITH CONFIDENCE

Whether launching pilots or modernizing legacy systems, we help you turn plans into action. Our team supports implementation, change management, member-centric design, and vendor accountability.

- **Actionable Intelligence** - With IgniteIQ, access real-time dashboards, peer benchmarks, and growth insights to guide smarter decisions.
- **Execution & Innovation Support** - From pilot to production, we help you activate strategy and explore emerging tech—like AI and Stablecoins—with member-first execution and compliance in mind.

- **Strategic Fintech Matchmaking** - Find and vet partners aligned with your mission, culture, and tech stack.
- **Curated Discovery Experiences** - Join fast-paced, demo-first events showcasing vetted, credit union-ready fintechs that solve real problems.
